

Nombre de la Base de Datos: EBSCO RESEARCH DATABASES

URL: <http://search.ebscohost.com>

Costo: \$ 17,573

Introducción

EBSCO es una base de datos que ofrece textos completos, índices y publicaciones periódicas académicas que cubren diferentes áreas de las ciencias y humanidades. Sus colecciones están disponibles a través de EBSCOhost, que es un sistema en línea que combina un contenido de gran calidad en una página atractiva, con herramientas únicas de búsqueda y recuperación de información. Los resultados de las búsquedas ofrecen enlaces a los textos completos de los artículos. Incluye las siguientes bases de datos:

MedicLatina

Medic Latina es una colección de revistas especializadas en la investigación médica en español, obra de reconocidas editoriales médicas de Hispanoamérica. Esta exclusiva base de datos proporciona acceso al texto completo de casi 100 revistas especializadas en medicina y arbitradas.

Fuente Académica

Fuente Académica proporciona textos completos (incluso en PDF) de una colección de publicaciones académicas en idioma español en rápida expansión. Esta base de datos multidisciplinaria ofrece contenido completo en numerosas áreas académicas, que incluye negocios y economía, ciencias médicas, ciencias políticas, leyes, ciencias de computación, ciencias de información y bibliotecas, literatura, lingüística, historia, filosofía y teología.

Health Source: Nursing/Academic Edition

Esta base de datos dispone de casi 550 revistas académicas centradas en numerosas disciplinas médicas. *Health Source: Nursing/Academic Edition* también incorpora *Lexi-PAL Drug Guide*, una guía de 1.300 hojas con información educativa sobre medicamentos para los pacientes con más de 4.700 marcas.

MasterFILE Premier

Esta base de datos multidisciplinaria ha sido especialmente diseñada para bibliotecas públicas. Abarca el texto completo de más de 1.750 publicaciones generales de referencia, con información desde 1975. *MasterFILE Premier* barca prácticamente todas las áreas de interés general y da cabida al texto completo de casi 500 libros de referencia, 85.827 biografías, 105.789 documentos primarios y una colección gráfica de 285.912 fotos, mapas y banderas. Esta base de datos se actualiza a diario vía *EBSCOhost*.

Academic Search Premier

Esta base de datos multidisciplinaria contiene el texto completo de cerca de 4.500 publicaciones, de las cuales más de 3.600 son publicaciones arbitradas. Dispone de versiones en PDF de cientos de publicaciones que se remontan hasta 1975, o incluso fechas anteriores, y permite buscar referencias de más de mil títulos.

Business Source Premier

Business Source Premier es la base de datos de investigación empresarial más utilizada de la industria, con texto completo de más de 2.300 publicaciones, que incluyen más de 1.100 títulos arbitrados. *Business Source Premier* es superior a la competencia respecto de su cobertura de texto completo en todas las disciplinas empresariales, que incluyen marketing, gestión, sistema de información de gestión, POM, contabilidad, finanzas y economía. Esta base de datos se actualiza a diario en EBSCOhost.

Regional Business News (Prueba)

Esta base de datos recoge el texto completo de publicaciones regionales de negocios. Regional Business News incorpora 75 publicaciones de negocios, periódicos e información publicada en Internet correspondiente a áreas metropolitanas y rurales de Estados Unidos. Esta base de datos se actualiza a diario.

MEDLINE

MEDLINE proporciona información médica de la mano de autoridades en ciencias de la salud, enfermería, odontología, veterinaria, la asistencia de la salud, ciencias preclínicas y mucho más. El índice de esta base de datos, creada por la National Library of Medicine, está ordenado en función de los encabezamientos de tema médico (MeSH). Este sistema de indexación hace uso de jerarquías, subtítulos y la posibilidad de expandir las búsquedas para consultar citas procedentes de más de 4.800 publicaciones actuales del campo de la biomedicina.

Health Source - Consumer Edition

Esta base de datos constituye la más amplia colección de información sobre salud de los consumidores que hay en el mundo, y proporciona información sobre numerosos temas de la salud, incluidas las ciencias médicas, estudios de la nutrición y los alimentos, cuidado de los niños, medicina deportiva y salud general. *Health Source: Consumer Edition* brinda acceso a alrededor de 80 revistas completas de salud para consumidores.

ERIC

ERIC, (sigla en inglés del Educational Resource Information Center) contiene más de 1.194.000 registros con referencias a información a más de 100.000 documentos en texto completo de *ERIC*.

Newspaper Source

Newspaper Source proporciona texto completo portada a portada de 28 periódicos estadounidenses e internacionales. La base de datos contiene también transcripciones completas de noticias provenientes de televisión y radio, y textos completos seleccionados de más de 260 periódicos regionales de los Estados Unidos. Se actualiza diariamente vía EBSCOhost.

Library, Information Science & Technology Abstracts

Library, Information Science & Technology Abstract (LISTA) tiene catalogadas más de 690 publicaciones, además de libros, informes de investigación y actas. Abarca una gran variedad de áreas: biblioteconomía, clasificación, catalogación, bibliometría, búsqueda de información en Internet y gestión de la información, entre otras. El contenido de LISTA se remonta a mediados de la década de 1960.

Condiciones de uso

EBSCO PUBLISHING LICENSE AGREEMENT

By using the services available at this site or by making the services available to Authorized Users, the Authorized Users and the Licensee agree to comply with the following terms and conditions (the "Agreement"). For purposes of this Agreement, "EBSCO" is EBSCO Industries, Inc.; the "Licensee" is the entity or institution that makes available databases and services offered by EBSCO; the "Sites" are the Internet websites offered or operated by Licensee from which Authorized Users can obtain access to EBSCO's databases and services; and the "Authorized User(s)" are employees, students, registered patrons, walk-in patrons, or other persons affiliated with Licensee or otherwise permitted to use Licensee's facilities and authorized by Licensee to access Databases. "Authorized User(s)" do not include alumni of the Licensee. EBSCO disclaims any liability for the accuracy, completeness or functionality of any material contained herein, referred to, or linked to. Publication of the servicing information in this content does not imply approval of the manufacturers of the products covered. EBSCO assumes no responsibility for errors or omissions nor any liability for damages from use of the information contained herein. Persons engaging in the procedures included herein do so entirely at their own risk. I. LICENSE

A. EBSCO hereby grants to the Licensee a nontransferable and non-exclusive right to use the databases made available by EBSCO (the "Databases") according to the terms and conditions of this Agreement. The Databases made available to Authorized User are the subject of copyright protection, and the original copyright owner (EBSCO or its licensors) retains the ownership of the Database(s) and all portions thereof. EBSCO does not transfer any ownership, and the Licensee and Sites may not reproduce, distribute, display, modify, transfer or transmit, in any form, or by any means, any Database or any portion thereof without the prior written consent of EBSCO, except as specifically authorized in this Agreement.

B. The Licensee is authorized to provide on-site access through the Sites to the Databases to any Authorized User. The Licensee may not post passwords to the Databases on any publicly indexed websites. The Licensee and Sites are authorized to provide remote access to the Databases only to their patrons as long as security procedures are undertaken that will prevent remote access by institutions, employees at non-subscribing institutions or individuals, that are not parties to this Agreement who are not expressly and specifically granted access by EBSCO. ***Remote access to the Databases is permitted to patrons of subscribing institutions accessing from remote locations for personal, non-commercial use. However, remote access to the Databases from non-subscribing institutions is not allowed if the purpose of the use is for commercial gain through cost reduction or avoidance for a non-subscribing institution. Remote access for personal use from these institutions is permissible.***

C. Licensee and Authorized Users agree to abide by the Copyright Act of 1976 as well as any contractual restrictions, copyright restrictions, or other restrictions provided by

publishers and specified in the Databases. Pursuant to these terms and conditions, the Licensee and Authorized Users may download or print limited copies of citations, abstracts, full text or portions thereof provided the information is used solely in accordance with copyright law. Licensee and Authorized Users may not publish the information. Licensee and Authorized Users shall not use the Database as a component of or the basis of any other publication prepared for sale and will neither duplicate nor alter the Databases or any of the content therein in any manner nor use same for sale or distribution. Licensee and Authorized Users may create printouts of materials retrieved through the Databases via on-line printing, off-line printing, facsimile or electronic mail. All reproduction and distribution of such printouts, and all downloading and electronic storage of materials retrieved through the Products shall be for internal or personal use. Downloading all or parts of the Databases in a systematic or regular manner so as to create a collection of materials comprising all or part of the Databases is strictly prohibited whether or not such collection is in electronic or print form. Notwithstanding the above restrictions, this paragraph shall not restrict the use of the materials under the doctrine of "fair use" as defined under the laws of the United States. Publishers may impose their own conditions of use applicable only to their content. Such conditions of use shall be displayed on the computer screen displays associated with such content. The Licensee shall take all reasonable precautions to limit the usage of the Databases(s) to those specifically authorized by this Agreement.

D. Authorized Sites may be added or deleted from this Agreement as mutually agreed upon by EBSCO and Licensee

E. Licensee agrees to comply with the Copyright Act of 1976, and agrees to indemnify EBSCO against any actions by Licensee that are not consistent with the Copyright Act of 1976.

F. The computer software utilized via EBSCO's service(s) is protected by copyright law and international treaties. Unauthorized reproduction or distribution of this software, or any portion of it, is not allowed. User shall not reverse engineer, decompile, disassemble, modify, translate, make any attempt to discover the source code of the software, or create derivative works from the software.

II. LIMITED WARRANTY AND LIMITATION OF LIABILITY

A. EBSCO disclaims all warranties, express or implied, including, but not limited to, warranties of merchantability, noninfringement, or fitness for a particular purpose. EBSCO neither assumes nor authorizes any other person to assume for EBSCO any other liability in connection with the licensing of the Database(s) under this Agreement and/or its use thereof by the Licensee and Sites or Authorized Users.

B. THE MAXIMUM LIABILITY OF EBSCO AND ITS LICENSORS, IF ANY, UNDER THIS AGREEMENT, OR ARISING OUT OF ANY CLAIM RELATED TO THE PRODUCTS, FOR DIRECT DAMAGES, WHETHER IN CONTRACT, TORT OR OTHERWISE SHALL BE LIMITED TO THE TOTAL AMOUNT OF FEES RECEIVED BY EBSCO FROM LICENSEE HEREUNDER UP TO THE TIME THE CAUSE OF ACTION GIVING RISE TO SUCH LIABILITY OCCURRED. IN NO EVENT SHALL EBSCO OR ITS LICENSORS BE LIABLE TO LICENSEE OR ANY AUTHORIZED USER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES RELATED TO THE USE OF THE DATABASES OR SERVICES OR TO

THESE TERMS AND CONDITIONS, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

III. PRICE AND PAYMENT

A. License fees have been agreed upon by EBSCO and the Licensee, and includes all retrospective issues of the Product(s) as well as updates furnished during the term of this Agreement. The Licensee's obligations of payment shall be to EBSCO or its assignee. Payments are due upon receipt of invoice(s) and will be deemed delinquent if not received within 30 days. Delinquent invoices are subject to interest charges of 12% per annum on the unpaid balance (or the maximum rate allowed by law if such rate is less than 12%). The Licensee will be liable for all costs of collection. Failure or delay in rendering payments due EBSCO under this Agreement will, at EBSCO's option, constitute material breach of this Agreement. If changes are made resulting in amendments to the Listing of Authorized Sites, Product(s) and Pricing identified in this Agreement pro rata adjustments of the contracted price will be calculated by EBSCO and invoiced to the Licensee and/or Sites accordingly as of the date of any such changes. Payment will be due upon receipt of any additional pro rata invoices and will be deemed delinquent if not received within thirty days of the invoice dates.

B. Taxes, if any, are not included in the agreed upon price and may be invoiced separately. Any taxes applicable to the Database(s) under this Agreement, whether or not such taxes are invoiced by EBSCO, will be the exclusive responsibility of the Licensee and/or Sites.

IV. TERMINATION

A. In the event of a breach of any of its obligations under this Agreement, Licensee shall have the right to remedy the breach within thirty (30) days upon receipt of written notice from EBSCO. Within the period of such notice Licensee shall make every reasonable effort and document said effort to remedy such a breach and shall institute any reasonable procedures to prevent future occurrences of such breaches. If the Licensee fails to remedy such a breach within the period of thirty (30) days, EBSCO may (at its option) terminate this Agreement upon written notice to the Licensee.

B. If EBSCO becomes aware of a material breach of Licensee's obligations under this Agreement or a breach by Licensee or Authorized Users of the rights of EBSCO or its licensors or an infringement on the rights of EBSCO or its licensors, then EBSCO will notify the Licensee immediately in writing and shall have the right to temporarily suspend the Licensee's access to the Product(s). Licensee shall be given the opportunity to remedy the breach or infringement within thirty (30) days following receipt of written notice from EBSCO. Once the breach or infringement has been remedied or the offending activity halted, EBSCO shall reinstate access to the Databases. If the Licensee does not satisfactorily remedy the offending activity within thirty (30) days, EBSCO may terminate this Agreement upon written notice to the Licensee.

C. The provisions set forth in Sections I, II and V of this Agreement shall survive the term of this Agreement and shall continue in force into perpetuity.

V. NOTICES OF CLAIMED COPYRIGHT INFRINGEMENT

EBSCO has appointed an agent to receive notifications of claims of copyright infringement regarding materials available or accessible on, through, or in connection with our services. Any person authorized to act for a copyright owner may notify us of such claims by contacting the following agent: Kim Stam, EBSCO Publishing, 10 Estes Street, Ipswich, MA 01938, phone: 978-356-6500, fax: 978-356-5191, email: kstam@epnet.com. In contacting this agent, the contacting person must provide all relevant information, including the elements of notification set forth in 17 U.S.C. 512.

VI. GENERAL

A. Neither EBSCO nor its licensors will be liable or deemed to be in default for any delays or failure in performance resulting directly or indirectly from any cause or circumstance beyond its reasonable control, including but not limited to acts of God, war, riot, embargoes, acts of civil or military authority, rain, fire, flood, accidents, earthquake(s), strikes or labor shortages, transportation facilities shortages or failures of equipment, or failures of the Internet.

B. This Agreement and the license granted herein may not be assigned by the Licensee to any third party without written consent of EBSCO.

C. If any term or condition of this Agreement is found by a court of competent jurisdiction or administrative agency to be invalid or unenforceable, the remaining terms and conditions thereof shall remain in full force and effect so long as a valid Agreement is in effect.

D. If the Licensee and/or Sites use purchase orders in conjunction with this Agreement, then the Licensee and/or Sites agree that the following statement is hereby automatically made part of such purchase orders: "The terms and conditions set forth in the EBSCO Publishing EBSCOhost LICENSE Agreement are made part of this purchase order and are in lieu of all terms and conditions, express or implied, in this purchase order, including any renewals hereof."

E. This Agreement represents the entire agreement and understanding of the parties with respect to the subject matter hereof and supersedes any and all prior agreements and understandings, written and/or oral. There are no representations, warranties, promises, covenants or undertakings, except as described here.
